SITE PLAN AND DESIGN REVIEW, AND FINAL DEVELOPMENT PLAN APPLICATION PROCESS

● Significant requirement with an associated deadline.

* Please refer to the Planning Commission “Schedule and Submittal Deadline” calendar for upcoming submission deadlines and meeting dates.

REVIEW CRITERIA

The review of a site plan and design review, and final development plan is based on the regulations of the Land Development Code, Title 17 of the Gardner Municipal Code at www.gardnerkansas.gov/documents/city-code.

The site plan and design review, and final development shall be reviewed according to the following criteria:

1. In general, any site plan in compliance with all requirements of this Code shall be approved.
2. In making a determination of compliance, or for site plans accompanying any discretionary review or administrative relief, the review body shall consider whether:
 - a. The site is capable of accommodating the buildings, proposed use, access and other site design elements required by the Code and will not negatively impact the function and design of rights-of-way or adjacent property.
 - b. The design and arrangement of buildings and open spaces is consistent with good planning, landscape design and site engineering principles and practices.
 - c. The architecture and building design uses quality materials and the style is appropriate for the context considering the proportion, massing, and scale of different elements of the building.
 - d. The overall design is compatible to the context considering the location and relationships of other buildings, open spaces, natural features or site design elements.
 - e. Whether any additional site-specific conditions are necessary to meet the intent and design objectives of any of the applicable development standards.
3. The application meets the criteria for all other reviews needed to build the project as proposed.
4. The recommendations of professional staff.
