

Babysitting Clinic

Using a well-rounded medical based curriculum Safe Sitter prepares youth to be better adults and parents by teaching more than just basic babysitting skills. Skills such as feeding, changing, and dealing with problem behaviors will be taught. This class also looks at the business side of babysitting, covering how to market oneself as a sitter and how to choose and negotiate job offers. Safe Sitter gives youth the confidences and skills needed for being a skillful babysitter. Participants will receive a certificate and a babysitter handbook upon completion of the program.
