

SCRAPBOOKING

Bring your supplies and enjoy an evening of creating
and preserving memories!

Scrapbooking is a way to preserve personal and family history in the form of photographs, printed media, and memorabilia. Historically, scrapbooking was a tradition similar to storytelling, but with a visual and tactile rather than oral in focus. Whether you are just getting started in scrapbooking or you're already an expert, this is the group for you!

There will be plenty of room to spread out and work on your projects. Share and receive creative ideas with others, make some friends, and see how much you can complete!

Bring dinner, snacks, and drinks with you--a microwave and refrigerator are available. From beginners to advanced, all skill levels are welcome!
