The primary concern and responsibility of the Parks and Recreation Department is the safety of the children. If you are selected as a head coach, you will be put through a background check from a company called Protect Youth Sports. The results of this check are sent to and will only be seen by the Human Resources Department. No one from Parks and Recreation will see the results. Gardner Parks and Recreation will follow the National Parks and Recreation Association's guidelines for credentialing volunteers. This document can be found on our website at www.gardnerkansas.gov. Failure to pass the background check will eliminate an
